OBJECTIVE

Driven and highly skilled Front-End Developer with a passion for creating engaging and user-friendly web experiences. Seeking a challenging role in a dynamic environment where I can contribute to innovative digital solutions.

PERSONAL STATEMENT

I thrive on the intersection of creativity and technology. Having successfully contributed to various projects, I understand the importance of exceeding user expectations. My collaboration and communication techniques align with the ethos of New Zealand's teamwork-driven culture. I believe in the power of diverse perspectives and open communication to foster innovation.

WORK HISTORY

Classic Informatics

India

November 2022-July 2023
